

COMMITMENT TO UNITY

Bethany Christian Services is a faith-based organization with multicultural staff, clients, and stakeholders. We believe individual differences, competency, and humility within our team are strengths that help us live out our values and empower growth with excellence.

Championing justice is integral to everything we do, from our leadership to our volunteers. We are dedicated to fostering fairness and respect throughout our organization and the child welfare system. Our leadership, volunteers, and decision-making processes reflect our commitment to championing justice.

Our programs promote access to services for all children and families. Internally, we prioritize fair treatment in hiring and promotions, and we offer ongoing training to enhance our team's skills and competence.

We aspire to lead and serve with grace, love, integrity, and excellence, reflecting our belief that everyone is created in God's image and deeply loved.

These commitments express our faith as we seek to live and love like Jesus.
