

# SEE THE WHOLE PICTURE

**Bethany**<sup>®</sup>  
CHRISTIAN SERVICES

**Adoption means many  
things to many people**

This National Adoption Month, Bethany invites us all to see the whole picture. To hear from voices you haven't heard. To learn from someone who sees adoption differently than you do. Together we'll look for the beauty in adoption stories, but we won't look away from what we'd rather not see.

**Have eyes to see.  
Enlarge your vision.**
