GIFTING STOCK, SECURITIES, OR MUTUAL FUNDS
Transform lives for years to come

PART 1
Gifting your stock, securities, or mutual funds

If you’re looking for a tax-smart way to share your blessings with children and families, consider a gift of stock.

When you give appreciated stock you’ve owned for more than one year, you can avoid capital gains tax and receive a charitable income tax deduction when you itemize.

I’m telling the solemn truth: Whenever you did one of these things to someone overlooked or ignored, that was me—you did it to me.

HOW IT WORKS

CONVERTING TO MINISTRY DOLLARS

The National Christian Foundation West Michigan assists Bethany to convert stocks into ministry dollars that support our work with children and families worldwide.

YOUR GIFT RECEIPT

Your gift receipt will come from the National Christian Foundation and will include: a description of your gift, the date your gift was received, the number of shares sold, the total dollar value of the shares, and confirmation that Bethany Christian Services has received the proceeds from the sale.

YOUR TAX BENEFITS

Your gifts of appreciated stocks often provide significant tax benefits. Contributions of appreciated stock held for more than one year are generally deductible at market value. Accordingly, you avoid the capital gains tax.*

At 13 years old, Julia was trafficked for labor by her stepfather’s family. Her foster family gave her a loving home and helped her get an education. She reflects, “The most surprising thing [about my journey] is that people who weren’t my family, who didn’t even know me, would care for me. I’ve learned that family is who cares for you.”
